

# WE ARE HIRING!

TAX TRAINEE POSITION

## CANDIDATE'S PROFILE

- Excellent academic record, minimum of a 2.1 honours degree.
- Striving for a career in tax.
- Must be able to multi-task, prioritise and work within deadlines.
- Excellent communication and interpersonal skills.
- Ability to analyse problems and deliver solutions.
- Very good computer literacy skills particularly in MS Word and Excel.

## RESPONSIBILITIES

- Preparation of tax computations and tax returns, to include income tax, corporation tax and capital acquisitions tax returns.
- Identifying and researching tax technical issues for other team members.
- Engaging and liaising with clients and also with the Revenue Commissioners on behalf of clients.
- Assisting team members with administrative matters such as client registration, engagement and billing.

Send your CV to [info@cahilltaxation.ie](mailto:info@cahilltaxation.ie)

All applications will be treated in the strictest of confidence.

## WHO WE ARE

Established in 2007, CTS are leading tax specialists located in Ennis, Co. Clare. CTS offers exciting development opportunities in a dynamic and fast-paced work environment.

Owing to continued growth in the practice, we are seeking a Tax Trainee (CTA), to join us in September 2020.

Drawn from a variety of backgrounds, our people are as unique as our clients. Combined with fantastic personalities our team have years of experience and various professional qualifications, making CTS a great place to kick start your career in tax.

## OPPORTUNITY

This is an ideal opportunity for any graduate from a relevant academic discipline or individual who is looking to explore their potential to the fullest.

Throughout your training contract, you will be mentored by a senior staff member to ensure that you successfully complete the Irish Tax Institute's Chartered Tax Adviser exams.

By joining CTS, you will be provided with an opportunity to apply the knowledge gained from your studies to real life situations.

The successful candidate will gain an insight into tax compliance matters and will work closely with other staff members to progress compliance work.

As you progress in your studies, you will gain exposure to more challenging assignments and exciting tax related topics. We will enable you to develop your skills and knowledge base by providing for hands-on training at all times.
